Sometimes life can toss a curve ball and rescheduling is necessary. We understand this and try to be flexible and accommodating where possible. However, since we may be blocking off large portions of our calendar availability to accommodate your group with portraiture at no cost to you, we must insist that our time is respected.

We require 14 days notice to reschedule all sports photography reservations. All cancellations by the client are subject to a minimum \$300.00 cancellation fee. Short notice cancellation (less than 7 days) of reserved dates are subject to a cancellation fee of \$300.00 per 4 hour block of reserved time unless waived by our administration.
